### GRIN Publishing: Your partner for professional publishing & researching specialist knowledge

GRIN Publishing is an IT-driven publisher based in Munich. With our wide-reaching portals [grin.com](http://grin.com) and [hausarbeiten.de](http://hausarbeiten.de) and over 200,000 published e-books and books, we are the leading German provider of academic texts. The titles published by us are available worldwide in thousands of online shops, in all German bookstores, as EPUB and MOBI for Kindle and in the iBook store.

At GRIN, you will find specialist information from all scientific disciplines - from African studies to Veterinary medicine. Search specifically in over 200,000 publications and stay up to date in your field!

At the same time, GRIN offers a fast and free publication service. With GRIN, you publish in all popular online shops worldwide and are also represented in local bookshops - each with its own ISBN.
